

InnWorks

## Wedding Guest Offer

Dear Bride & Groom:

Thanks for referring your wedding guests to our InnWorks hotel. For every five room nights your guests stay during your wedding festivities, you'll receive a \$10 Target gift card. For every ten room nights your guests stay with us, you'll receive a \$20 Target gift card.

Please contact the InnWorks hotel *in advance* so we can set aside a block of rooms for your guests. This does not obligate you to use these rooms. All it means is that we will hold a certain number of rooms for your guests until three weeks prior to your wedding. Your guests need to call the hotel directly and let us know they are taking rooms from your wedding room block.

*After your wedding, please fill out the bottom of this form and return it to our hotel.* Our General Manager will verify the guest stays, then forward the form to our home office. You should receive your gift card within 30 days of our receipt of the verified form. Your Target gift card(s) will be sent via US Postal Service with delivery confirmation. It will be mailed to the name & address you supply on this form.

Congratulations on your new life together!
